Standards	
TF 3.2.1 / TR 3.2.1	Technical Regulation 3.2.1 for electricity-generation plants rated up to and including 11 kW
TF 3.2.3 / TR 3.2.3	Technical Regulation 3.2.3 for thermal plants with a power output greater than 11 kW

*Note	The expiry date is when a new technical regulation is published or a when the generating unit is updated (new version or revision)
Note	NTR = Next Technical Revision (Future)
